

Are you tired of Chicago Politicians taking your money?!

So are we. Let's do something about it!

BAN Chicago Red Light and Speed Cameras!

Red Light Cameras and Speed Cameras are not about safety, they are about corporate profits, political campaign funds and revenue for a city that can't live within its means.

TAKE ACTION: Call the Aldermen who voted **YES on Speed Cameras**

- **DEMAND** to know how much money they have taken from Red Light and Speed Camera Lobbyists!
- **DEMAND** longer yellow light times at our intersections!
- **DEMAND** an outright **BAN** on Red-light Camera and Speed Camera photo enforcement in Chicago!
